Please consolidate my Retirement Benefits Fund member accounts where possible. I understand that:

- unless I make an application to change the Member Investment Choice option(s) in which my superannuation is currently invested, any balances that RBF consolidates will be invested (proportionately) in the same option(s);
- details of merged accounts balances (including investment options) will be provided to me following the consolidation of all eligible accounts; and
- due to future funding implications, it may not be possible to consolidate some accounts.
